The Honda Car Club of Victoria is a well established motoring club with a passion for the Honda marque and a dedication to Honda motor vehicles both past and present. With a history dating back to 1971, the HCCV is a CAMS affiliated club and maintains a keen membership with diverse interests ranging from restoration, motorsport, and technical to just plain social!

Regular club events are organised throughout the year with a variety of activities including day tours, car maintenance days and the always popular weekends away. Members also have the opportunity to participate in club level motorsport such as sprints, track days and motokhanas. The club is also a great source of information for restoration or modification projects.

So whether your interest lies in enhancing or restoring your car, developing your driving skills, exploring club level motor sport, or simply taking a drive in the country with fellow enthusiasts, the HCCV has something for everyone.
